

# You have an online account!

As a season ticket holder, you have an online account you can use to access your tickets anytime, download Season Passes to your phone, or renew/purchase additional tickets.

## How to Access:

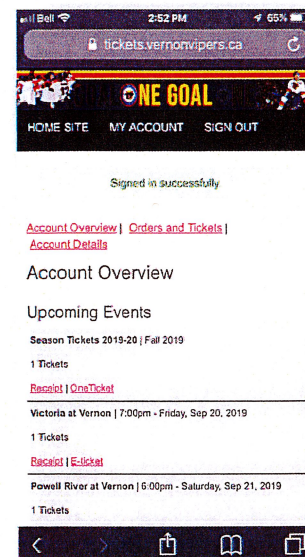

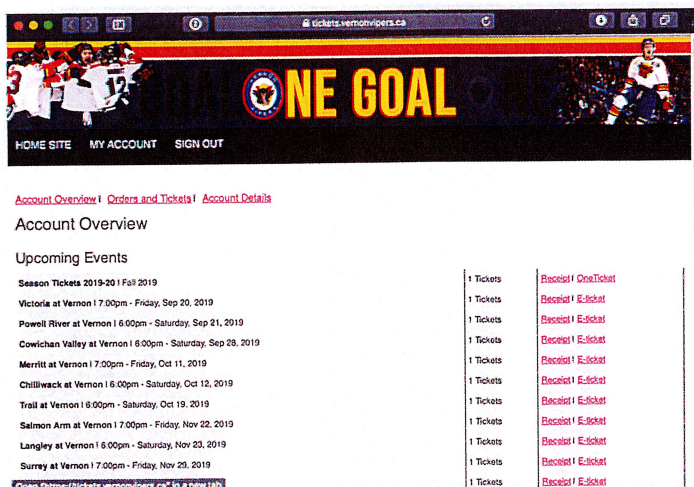

Access your account at <https://tickets.vernonvipers.ca/account/>

If you have never used your account before or have forgotten your password, you can reset your password. Use the **Forgot Password** link and enter the email address associated with your account. You will receive an email with instructions on how to reset your password.

## Your Account Overview:

Once you have logged into your account, use the **Account Overview** or **Orders and Tickets** menu options to view or download any of your tickets or receipts.

Tickets can be printed (PDF) or stored on your mobile device through **Apple Wallet**.

**Apple Wallet** is compatible with Android. Use an application such as **Pass Wallet** from the **Google Play Store**.  
(See below for more information.)

Your account overview will show all your upcoming games or events. You can use this area of your account to print or download your tickets for your own use or sharing.

There is **Season Ticket Event** in your account. This is your pass (OneTicket) that will work for all regular season home games. Download this to your phone for easy game entry all season long! No paper tickets required. See below for more information.

### Need to Print at Home?

Use the **E-ticket** links to download single game tickets as a **PDF for printing** at home. The PDF will contain all the tickets/seats in your order (1 page per ticket) for that game. Print your tickets on any printer and use them for direct entry.

This is a valid ticket. Please print and bring with you to the event, or, download for scanning.
